

ASHINGTON FOLK CLUB

March 2005

Full House

During March we averaged 15 performers and 33 songs, poems and tunesets per night. Wow!

As usual the Folk Bar was jam packed – standing room only for the Singers, Musicians and Poets night – 16 acts in all!

In the Spotlight this month we had Old English (Al & Pete) providing an interesting mix of traditional music and song. It's great to see so many people on these nights where local talent is showcased.

You're always guaranteed a warm welcome and a very appreciative and attentive audience at Ashington Folk Club. Look out for more great extended spots from our regulars.

Watch This Space

Plans are well underway for the Folk Bar refurbishment – hopefully by May we'll see more space, better seating and possibly a small stage area.

And remember, from April we'll be introducing a small admission charge (very small, only £1).

Club Nights

Singers, Musicians & Poets nights are held in the Folk Bar on the First Thursday of every month, and in the Bothal Suite on the third Thursday with additional spotlight sets.

All nights commence at 8:30 pm - be early to ensure a floor spot.

Come along and perform or just listen. All styles and abilities welcomed. There is a mixture of residents and visitors performing everything from traditional folk to contemporary music, blues, classics, country and poetry.
