

ASHINGTON FOLK CLUB

April 2005

It's In The Bag

April saw the re-introduction of an admission charge at the club, a move suggested/requested by many. At a mere £1, it's great value for such varied entertainment.

And what a great month we had. Performances from regulars and newcomers alike – spotlight artistes Touchwood were in good form, and our last Bothal Suite night went down a storm!

Allan Taylor: 2006

Allan Taylor has kindly agreed to be our first special guest. So put 9th February in your diary for an evening with the country's foremost singer/songwriter.

Change Of Plans

The Folk Bar refurbishment will take longer than we anticipated, and the dates for the work have still to be announced. So, rather than mess up Spotlight schedules, we've decided to make both May nights Singers, Musicians & Poets.

The jiva spotlight is rescheduled for 16th June.

Club Nights

Singers, Musicians & Poets nights are held on the first Thursday of every month, and also on the third Thursday with additional spotlight sets.

All nights are now held in the Folk Bar, starting at 8:30 pm - be early to ensure a floor spot.

Come along and perform or just listen. All styles and abilities welcomed. There is a mixture of residents and visitors performing everything from traditional folk to contemporary music, blues, classics, country and poetry.
