

# ASHINGTON FOLK CLUB

August 2005

## Hotspot

Another busy month – and very very warm. We all sweltered in the Folk Bar with 19 floor spots, and it was certainly hot in the Spotlight as Alex played a fine selection of classical tunes.

It was good to see so many old faces and new friends – special welcome to Matty Ditchburn, Michael Docherty, Richard Robinson and the Snow family.

## Listen Up

On our website photo gallery and review pages you can now listen to sound clips of performers.

## Allan Taylor: 2006

Allan Taylor has kindly agreed to be our first special guest. So put 9<sup>th</sup> February in your diary for an evening with the country's foremost singer/songwriter. **Ticket details coming soon!**

## Survey Number 3

Thanks to everyone who voted - there has been a very good response. The results so far show an overwhelming 'everyone sings' on Singers nights and almost a 50/50 opinion for Spotlight nights.

What is important is for everyone to turn up in good time on both nights. This way the MC can ensure that performers get a fair go. Latecomers may have to be disappointed!
