

# ASHINGTON FOLK CLUB

March 2006

## **Marching On**

After a busy and exciting February we thought March would be quieter. But we had 20 performers, 2 new to the club.

Spotlight was Vince Carr who did his first spot solo - a mix of instrumental and song. He was then joined in the second half by his brother Ed. They gave us a heady mixture of instrumental pieces ranging from classical to contemporary and everywhere in between!

## **Sound Bites!**

First sound check of the month revealed... no sound from the main speakers. But thanks to earlier investment we managed to get through with a new wedge monitor instead.

jiva took all the PA equipment home. We tested every combination of speakers, cables and amps with our own rig – the common failure was Ashington's speakers, both of them!

jiva's speakers and monitoring system came from Ripon City Music (yes they are in Ripon). So we got in touch, told them what we were after, and a few days later went to pick up two new Carlsbro speakers. Thanks again for great service.

And yes, they worked a treat, debuting on Vince's spotlight evening.

## **Reminder**

jiva will be on holiday during the first week in October – Allan Taylor concerts and songwriting workshop in Germany.

The Folk Bar is already booked to December, so we need someone to take charge during our absence – or we'll have to cancel the room booking.

So... over to you. Let us know by 6<sup>th</sup> April.
