For the second month running the club portable stage was locked away in the cupboard with no key to be found. So we took to the 'big stage' and boy was it warm up there! Well done to you all. As Lynn put it "There's a free sauna with every tune"!

This month's spotlight was on John Campbell and we were treated to a good mix of classics from such writers as Bowie (yes Bowie in a Folk Club!), Sting, Queen and Dylan, and also some great blues songs with impressive slide guitar. He was accompanied in the second set by friend and harmonica player John Kaye.

Sound Bites!

On our website photo gallery and review pages you can listen to sound clips of performers. If you like what you hear, then get yourselves along and enjoy the music live!

You're welcome to perform or just listen. All styles and abilities are welcomed. There is a mixture of residents and visitors performing everything from traditional folk to classics, contemporary music, blues, country and poetry.

All for just £1 *It's in the bag!*
