

ASHINGTON FOLK CLUB

November 2006

3 For 1

This month at the Club we saw 13 performers. Lots of good music and poetry enjoyed by all.

In the Spotlight was George Rosenthal who played solo in the first half and entertained us with a good mix of contemporary songs.

For his second spot he was joined by his friends Steve and Zak (guitar, bongos and vocals) calling themselves The Three Amigos...

Thanks to all who played, especially the lads for a great night of entertainment.

Unplugged #2

Our next club night on 7th December will be unplugged. That's right, no PA, so no sound clips - but don't worry we'll still take photos for the website Recent Events page.

Guests For 2007

Change of date for the Cathryn Craig and Brian Willoughby guest night. They will now appear at the Club on 15th March. Tickets are available now and can be purchased direct from us or via the website where you can pay by PayPal or credit card if you wish.

There will be an Early Bird draw. Buy your ticket in 2006 and we will enter you in the draw for refund of your ticket money.

Spotlight To Go?

In 2007 we will not be doing the usual formal Spotlight nights. Instead, most Club nights will be Singers Musicians & Poets with all floor spots. There will be a few exceptions - Special Guest nights and the occasional extended spot. The first extended spot will be in February by Jo (daughter of Al [Old English] Giles) and Jon who are part of the group Caliko.
