

ASHINGTON FOLK CLUB

February 2007

In With The New...

The first night of the 2007 season was quiet but we were treated to an extended spot from Jo and Jon (of Caliko). With some deft guitar work from Jon, and some gentle accompaniment by Jo on accordion, they sang mostly self-penned songs - thanks again for an enjoyable evening.

The Singers night in the Bothal Suite on the 15th was very popular with many of the regulars turning up for this first Singers night in the big room!

Also there were three new performers at the Club! Barry, Daniel and Chris. We look forward to hearing more from them.

Out With The Old...

jiva announced their intention to step down as club organisers at the end of 2007. After three years 'at the helm' they have put Ashington Folk Club back on the map with a website that is envied by many, an increase in visiting and regular performers, upgraded PA equipment, and a reputation for being a friendly and welcoming place to perform and listen.

Jimmy and Val feel that the time is right for new ideas and new blood to continue the upward trend. (It also allows them to devote more time to their own music, and yes, they do intend performing at Ashington in the future!)

On With The Show...

So we really want 2007 to be a special and memorable year. Two Special Guest Nights are planned:

- ★ 15th March - Cathryn Craig & Brian Willoughby
- ★ 15th November - Allan Taylor

Formal Spotlight nights have been discontinued - but there will still be occasional extended sets... so beware, be there, it might just be your turn...
